

POWER-PAK C.E.[®]

Continuing Education Program Order Form

Power-Pak C.E. is very well known in the pharmacy community as a premier CE provider and within the medical community for the joint sponsorship of CME-accredited enduring lessons. Power-Pak C.E. uses Postgraduate Healthcare Education, LLC (PHE) to provide continuing education credit for pharmacists. PHE is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Leading experts from pharmacy schools and healthcare institutions throughout the nation author our continuing education programs. We operate a state-of-the-art grading facility that rapidly scores respondents' tests and issues continuing education statements of credit.

Some of our programs are joint-sponsored by the Post Graduate Institute for Medicine. PIM is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. PIM is also approved as a provider of continuing education in nursing by the Colorado Nurses' Association which is accredited as approver of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation. Provider approved by the California BRN, Provider Number 13485.
